OUR MISSION

To provide access to socially responsible micro lenders
and with transport to the community and different companies

VISION

To be the best micro lenders and to constantly exceed expectation of our clients by
attaining a standard of excellence in transporting goods in growing logistic

OUR VALUES

We always conduct our business with honesty, integrity, respect and the highest
business and ethical standards. This allows us to build long-term professional
relationship with our clients

Regular communication with clients also enable us to ensure that operations run smoothly and problems are
detected and corrected as they arise. Communication and feedback also ensures that problems do not resurface in future leading to
continuous improvement in our service offering to clients

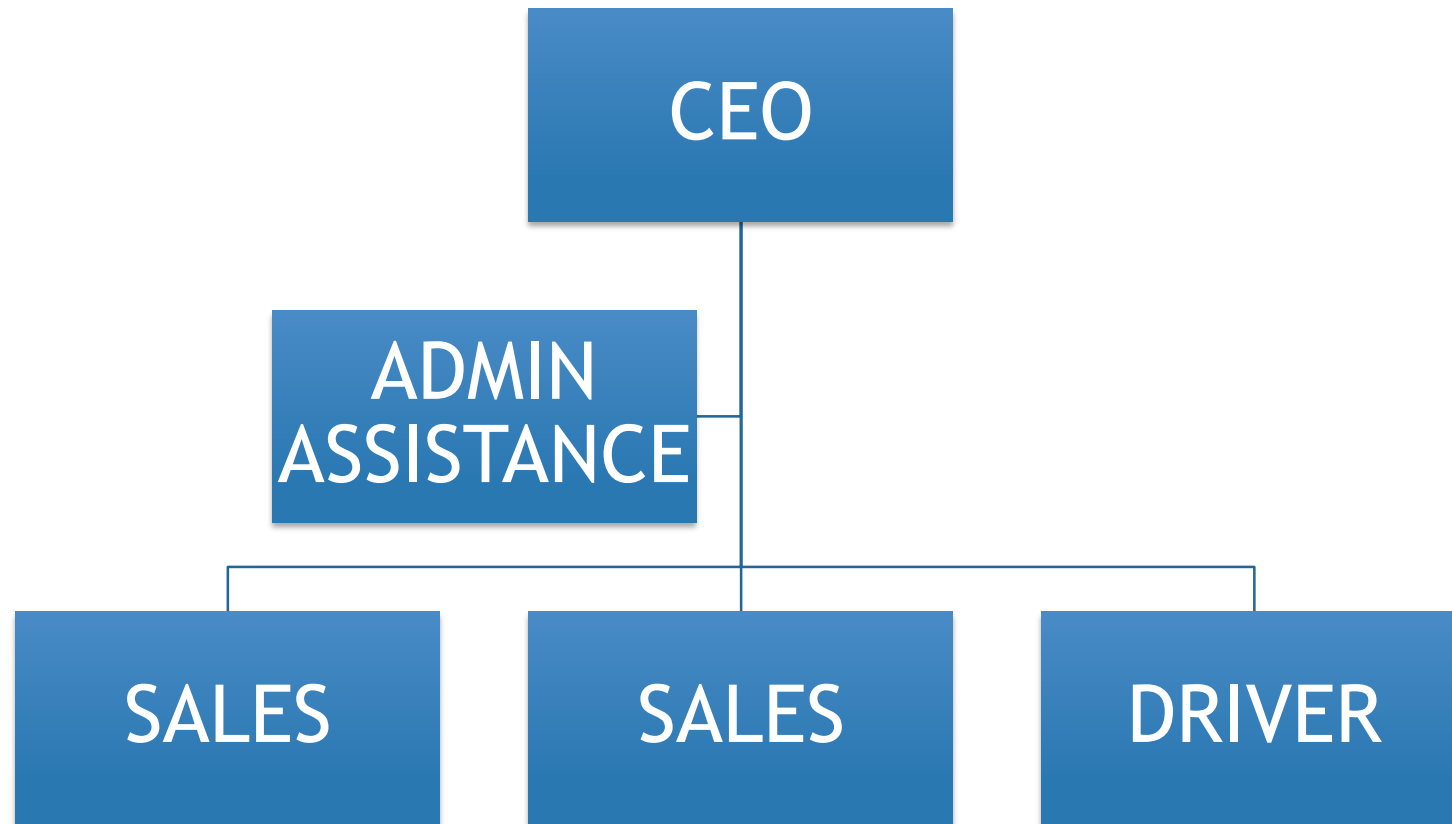

history

OUR HISTORY

- ▶ In 2015 MFS founder, Dede Malomane, realised that a lot of people from his community was suffering from micro lenders, transport, they were too large and inaccessible as he is from a small village in Gauteng called klipgat. Dede Malomane came up with an idea to provide transport to the organization and guarantee repayment. The ideal proved versatile and revolutionary. In urban and rural areas those with scarce resources to borrow.
- ▶ Remaining true to its origin, MFS helped individuals achieved their financial loans to low-income families, creates jobs, build assets and improve their standard of living.

OUR SERVICE

With 5 years of experience in financial industry that runs also in logistics, you don't have to worry, we offer you a variety of accounts that meet any corporate needs catered for you. Let us work with you as we have done for many other clients and corporation over the years. It is guaranteed that you will gain the best from our services we offer.

MFS has its origins back to 2015. Since then we've helped individuals achieve their needs in warehousing and distribution. We are privately owned company. We have no links or tie to any institution. This freedom from a product influence provides our clients with the greatest potential success.

In 2018 we underwent a sustainable change. We reshaped the way our business was strategically and operationally managed. This changes gave clients lower fees
